

Lesson 8: Convoy-Цуваа

Read and learn the briefing on a convoy

Good morning. I am going to brief you on tomorrow's convoy operation. Our mission is to escort a humanitarian aid convey from Tara to the village of Fort.

Convoy is composed of four 5-ton trucks with food and medical supplies. We will provide an armed escort with three APCs. I will be in an APC at the front of the convoy, the four trucks will be in the center and the other two APCs will be at the rear of the convey. We will leave the camp at 0700 hours and our estimated time of arrival at the Fort is 1330 hours. We will stop to rest two times during the movement. Our reporting point will be the junction B 27.

Answer the questions

1. What time will the convoy will the base?
2. What time will the convoy reach its destination?
3. How many time doest the convoy stop to rest?
